Parish Stewardship Program

At the beginning of the campaign, we asked all members of the St. Ann's Family to consider prayerfully what they are giving back to the parish and to the Lord. We received pledge cards from only 44 families (9 of those were from non-parishioners). We would like to thank everyone for their response to the call to stewardship. While many persons have not returned a card, we have only seen a very slim increase in our Sunday collections. Our DONATIONS, as marked on envelopes or checks are still coming in.

The appeal will soon be coming to a close, so we ask you to search your hearts and do what your mind tells you is right. Thank you.
