

*Please continue to pray for all the people of St. Ann. We are still on the job and continue to pray and work so that St. Ann's Church & Shrine can once again be a fully functioning part of our faith heritage and our cultural heritage in WNY. The Diocese of Buffalo is currently appealing the favorable ruling St. Ann Church received from the Vatican Congregation for the Clergy in 2014. We do not know what the possible outcome may be, but our faith and our hope remain great. Please pray for us, stay in touch and help to support our efforts.*
